TELEPHONE MEMO

US EPA RECORDS CENTER REGION 5

515851

TO : Dale S. Bryson

DATE: 4/16/80

FROM : John Elwell (612-920-3000)
City Manager
St. Louis Park, Minnesota

TIME:

SUBJECT:

Mr. Elwell called to say that the City is requesting that U.S. EPA proceed with a Federal enforcement action against Reilly Tar and Chemical. I asked Mr. Elwell if he was speaking personally or if he was expressing an official position of the City of St Louis Park. He told me that he was speaking as the official representative for the City.

He stated that on numerous occasions the City has discussed this matter and they fully support our action. They hope we proceed posthaste.
